## We are learning:

**Reading:** We are working on our centers and reading groups based on student need. We will be focusing on using text features, answering complex comprehension questions and segmenting words into complex syllables. Our Letterland unit words for the week of Jan 6th will study -y (ex: spy, sleepy) and -rr words and the week of Jan 13th -oo and -o words (ex: spoon, lose) (We will be testing on List A, but practice the spelling rules and not just memorizing words :))

**Writing:** We will be working on informational writing about plant stages based on our EL unit

**Math:** We will be working on mentally adding +10/-10 and +100/-100. We will also be adding 3 two-digit numbers using the number line and associative strategies.
