

This week in: Mrs. Klaus' Class

We are learning:

Reading: We are working on our centers, and reading groups based on student need. We will be focusing on asking and answering questions about text and how characters respond to events in text. Our Letterland unit words for the week of July 29th will include ll, ss, ff, ing (double consonants in short vowel words) and for the week of Aug 5th we will have magic e (a_e, i_e) (We will be testing on List A, but practice the spelling rules and not just memorizing words :))

Writing: We will be continuing our work with writing to a prompt, staying on topic and writing full thoughts.

Math: We will be solving various addition and subtraction word problems.

Social Studies/Science: We will be finishing our Civics and Government Unit. We will also be starting our Solids and Liquids unit.
