

This week in: Mrs. Klaus' Class

We are learning:

Reading: We are working on our centers and reading groups based on student need. We will be researching a student selected pollinator and will be giving an oral presentation to our class. Our Letterland unit words for the week of March 10th, we will study ou, ow (ex: sound, clown) and the week of March 16th, we will study oi and oy (annoy, avoid)(We will be testing on List A, but practice the spelling rules and not just memorizing words :))

Writing: We will be working on our notecards and presentation tools that we will use for our pollinator presentation based on our EL unit

Math: We will be starting our unit involving measurement. We will be comparing inches, feet and yards as well as centimeters and meters.

Science: We will also be continuing our weather unit in which we will studying various types of weather and what causes them.
